--- “Series of 1971” - 1 Ounce - “The Maple Leaf” - 22 x 42 mm. ---

--- M-665 - imperforate - as used by an unknown manufacturer - 1970-74 ---

In 1971 the new *ounce series* was introduced, but the *imperforate* one ounce saw very little use. The following copy, with its rose cancellation, comes from the unknown source (possibly “Royal Canadian Tobacco”, Toronto), and is similar to the common cancellations used on the 1½ ounce stamps of this series.

RN-300 - 1 ounce, *imperforate*, with an incomplete code from 1971- scanned at 100% scale
